About HFHAC

Who We Are

Habitat for Humanity of Angelina County partners with people in our community to help them build a place they can call home. Habitat home-owners help build their own homes alongside volunteers and pay an affordable mortgage. With your support, Habitat homeowners achieve the strength, stability, and independence they need to build a better life for themselves and for their families.

Our Mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities, and hope.

Corporate Sponsorship Program

Through our Corporate Sponsorship Program, sponsors provide funds for the materials and resources needed to build a new home for a family in our community. Partner families benefit in many ways from the financial support of sponsorships, and sponsors are enriched by the experience of supporting hard working low-income families who simply seek a hand up and not a hand out in the construction of a new home. Sponsors provide financial resources to pay for the construction materials for homes across Angelina County.

To reserve your spot as a Corporate Sponsor, contact Resource Coordinator, Shelby Farr at resource@angelinahabitat.org or 936-632-8445.
